

Jainism in the 21st Century

Saturday 17 February 2007

Seminar at Warwick University

Young Jain Students Warwick and the Institute of Jainology invite you to participate in this thought provoking and constructive seminar. The day will involve plenty of interaction such as group discussions and question and answer sessions. Whether you are Jain or are interested in learning more about Jainism, this seminar will enable you to explore your own perceptions as well as to gain a better understanding of Jainism in the 21st Century. All the topics will be presented by experienced teachers of Jainism associated with the Institute of Jainology.
